

Catherine Behrens Memorial Fund

The family of Catherine Behrens has established a memorial fund to be used to provide scholarship aid to college students.

A committee of 3 people designated by the consistory will select the student or students who will receive the scholarship. No member of the selection committee will be related to any potential applicant. The scholarship will be for one college year only and paid directly to the college.

If a student is awarded the scholarship in one year they may reapply in subsequent years. But this is no guarantee that it will be awarded to them the next year.

All applicants must complete the attached form which has been designed by the consistory to aid in the selection of the most worthy students.

The consistory has developed a ranking system of 1 to 5. In each of the four categories. The areas which carry the most weight and thus be accorded higher ranking are the following: Student's church activity, and the course of study the student is pursuing.

All applications will be judged independently by each committee member and scores totaled. In case of tie scholarship will be shared. All applications become property of the consistory.
